

Orlando Bead Retreat

August 2 thru Aug 6, 2023

Hosted with the Bead Society of Central Florida

Please read over all the forms and fill out completely. Follow all directions, for if not completely filled out will cause delay your registration.

- 1) Look over the classes make notes on a blank piece of paper as you try to decide which workshops you want each day.
- 2) Each workshop class will be limited to 20 students. Try something new to expand your horizons. We have 7 teachers just for the full daytime workshops. Night classes 6 different instructors (Wed and Thursday nights only).
- 3) On “Workshop Choices” page write your 1st choice and give a 2nd choice for each day your taking classes. 1st choice class being the one you want the most. I will try to get everyone their 1st pick but there are times that will not happen. So this way with a 2nd choice I can keep moving forward. You can give a 3rd pick if want. It helps me. Must give me 1st and 2nd choice.

When all done and everything is filled out. Double check everything, if writing a check make sure it's completely filled out and signed. **Make a copy of your registration so you remember what you are signing up for. Or take a picture with your phone.**

- 4) **IMPORTANT: Keep forms as they are. Do not cut, shrink or double-side the forms. Put your name on top of each form.**

CLASSES ARE NON-REFUNDABLE AND NON-TRANSFERRABLE.

Make plans so you can stay till Monday or late Sunday so you can enjoy the full weekend. If you are looking for a roommate then email me your full name, email address and day you are looking for roommate and I will send out an email to those looking. This way you all can hook-up to share a room if you want. Remember that 1 or 2 people per room.

Best regards and see everyone real soon,

Carol and Linda
